

THE CARMEL PLANETARIUM

AND

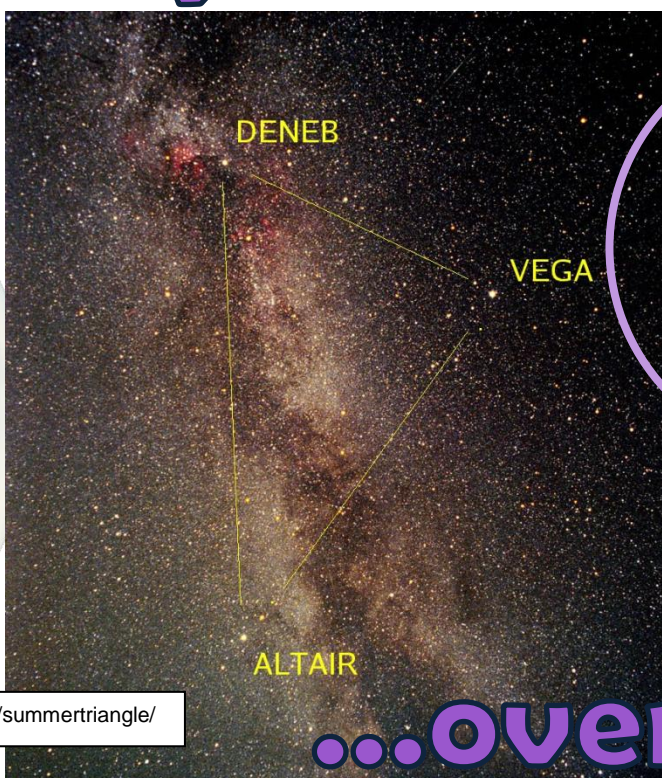

THE CARMEL HIGH SCHOOL ASTRONOMY CLUB

PRESENT

The Night Sky...

...over Carmel

Join us at the **Carmel High School Planetarium** as we investigate constellations and bright stars of early fall and late summer. We will explore some of the stars and deep sky objects inside the constellation boundaries. The planetarium star projector will be used to simulate the night sky locally and then we will immerse you into an environment as if there was no light pollution. What can you see? This will be a fun and educational journey for the entire family.

Running Time: 40 minutes

Presentation Date:
September 25th 2010
7:00 PM and 8:00 PM

Tickets are available in advance at the **CHS Bookstore** from 8:00 AM – 3:00 PM starting September 13th, 2010.

Adults: \$4.00

Children, Seniors, CHS Students: \$2.00

The CHS Planetarium is located in Carmel High School.
Enter through the main entrance of the school on Main Street, walk past the Dale Graham auditorium, and turn right.

Doors will open 30 minutes before show time.

No one will be admitted after the program begins. Children 12 years and under should be accompanied by an adult.

For information, please contact **Keith Turner, Planetarium Director**
